

GET **ACTIVE** For Firearm Safety

Let's have a dialogue about firearm safety:

Pledge of Responsibility for Safety:

- I affirm my commitment to safe storage and handling of firearms. Being **ACTIVE** prevents unintentional injuries and deaths with firearms.
- I will practice safe storage. I will keep my firearms locked when not in use and the ammunition separate. I will voice my concerns about unsecured guns that I see to get a conversation started.
- I will practice the pillars to be **ACTIVE** about gun safety
- I will make gun safety a priority in my home and my life by following the steps to be **ACTIVE**.
- I will **Lock Arms for Life** to keep everyone safe.
